How to verify the printer Driver Are installed successfully

1. Before Installing the Driver

- Once you connect the Printer to your Machine (Computer / PC)
- Path - Control Panel\Hardware and Sound\Devices and Printers
- There you can see the Rapid Pro / Rapid Lite icon

Rapid Pro

- If You are Not able to detect the Rapid Pro / Rapid Lite icon Then Check the Cable (USB Type A to USB Type B) Connection whether you are Connected Properly or not

2. After Installing the Driver you can verify

- Again, go to:
  Control Panel → Hardware and Sound → Devices and Printers
- Under the **Printers** section, you should now see the installed
  Rapid Lite-Pro Driver.

∨ Printers (1)

Rapid Lite-Pro

3. How to Perform a Test Print

- Right-click on the Rapid Lite-Pro Driver.
- Select Printer Properties.
- Click Print Test Page.
- If the test page prints successfully,
  the driver installation is complete and working correctly.
